## Policy Document On Disabled Friendly and Barrier Free Environment

The Rights of Persons with Disabilities Act of 2016 strictly forbids discrimination against individuals with disabilities. Swami Vivekananda College staunchly opposes all forms of discrimination, including that based on disability. The college takes pride in serving the differently-abled individuals in the community and has established a dedicated policy to ensure that the campus is accessible and accommodating for them. This policy is applicable to all members of the college faculty and staff. The steps are as follows:

- During the admission process, extra attention and privileges will be extended to students with disabilities.
- Ensuring an obstacle-free environment, particularly on the ground floor, to facilitate easy movement for differently-abled students.
- Implementing special provisions in the library to cater to the needs of students with disabilities.
- Providing audio lessons to accommodate differently-abled students.
- Installing ramps at specific locations for seamless movement wherever necessary.
- Establishing dedicated restrooms for differently-abled students.
- Promoting a discrimination-free environment for all students, including those with disabilities.
